Corporate Overview

EmergX Finance Corporation (EFC) is a UK-based development finance institution committed to mobilising capital for sustainable infrastructure in Emerging Market with focus on Africa. Its wholly-owned subsidiary, EmergX Asset Managers Limited (EAML), manages EFC's funds, bonds, and SPVs, while offering tailored services to third-party partners.

Strategic Vision & Mission

To unlock and direct capital into high-impact infrastructure projects in emerging markets through innovative fund structures and sustainable asset management solutions.
